EPISCOPAL  
FOUNDATION

## Grant Program Funds

The IEF awards grants each year to support projects in the diocese. These projects have the potential to make a positive impact on lives in our communities. Funds for the grant program are generated from earnings from generous donations from people across the diocese.

- Contributions to the “**IEF Grant Program**” support the grants program directly. The entire contributed amount can be used to support worthy grants the upcoming year.
- Contributions to the “**IEF Endowment Fund**” or “**Bishop Rhea Fellows**” are added to a permanent endowment fund. Earnings from the endowment fund support the grant program.

**On behalf of the Idaho Episcopal Foundation, *thank you* for your generous support!**
